Back by Popular Demand: Josh Lyons and Tommie Turvey II, will be here hosting clinics and taking part in activities going on this week. We are so blessed & thankful for their presence.

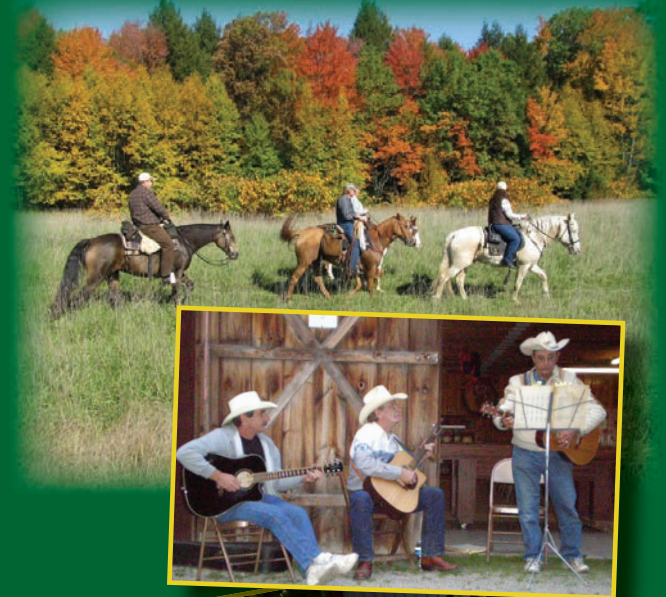

Josh offers a tremendous accredited horse training program at his new facility in Plainsville, Tennessee. Lyons Legacy Horsemanship offers an opportunity to get the most out of your horse. The core of Josh's program is a unique method of conditioned response horse training that modifies the horse enthusiast's attitude towards the horse by providing in-depth understanding and knowledge. For more information: 970-260-4170.

Equally impressive is Tommie's ability as a great horse trainer and stuntman. His goal is to inspire, educate and demonstrate what is possible with horses. His mission is to show how incredible horses really are and to spotlight their beauty, power and freedom they have given us. He specializes in capturing special moments, teaching solid training and creating incredible performances. He has moved to a new facility: Liberty Horse Ranch at Brooksville, Florida For more information: 352-796-1795.

Rich Bradshaw has a training facility located at the Fair Ground in Burton, Ohio. For more information: 440-552-6194.
